Custom Engraved Signs Page

Happy Signs custom engraved wood signs can be made with 2 kind of choice lumber:

Premium Pine – No knots, loose grain pattern, light natural color, and denser than standard pine lumber. This pine is suitable for outdoor use and will last for years. It looks light color looks great with no stain.

Red Cedar – Some knots, tight irregular grain, warm natural color tone, and soft. Red Cedar is known for its natural resistance to outdoor exposer.

All engraved portions of the each sign will be painted with black.

All custom engraved wood signs are sealed with 2 coats of exterior polyurethane with UV protection. This extra step ensures your sign will give years of HAPPINESS.
